# Become an Aircraft Maintenance Engineer

Farnborough College of Technology has teamed up with **British Airways** to provide an exciting route into aircraft maintenance

## Are you keen to succeed and motivated by a challenging career?

As a College student, you will learn the appropriate theoretical principles and acquire hands-on skills. Successful students will have the opportunity of work experience with British Airways. Upon successful completion of the 1 year course students will have the opportunity to be interviewed for an Aircraft Maintenance Apprenticeship. If you are likely to achieve A\*-C in Maths, Science, English plus one other subject you could apply for this scheme. To request an application form,
