

Setting up your Parent Advantage account for the first time

You will receive two emails from Farnborough College of Technology:-

Email 1 – To create a password for your advantage account

Email 2 – To create a student link for your son/daughter

Email 1

Will contain an activation code.

Open a web browser and navigate to <https://parentadvantage.farn-ct.ac.uk>

 Farnborough College
of Technology

Parent Advantage ▶▶

If you already have a Parent Advantage account and wish to view information about a student already linked to your account please enter your registered email and password below.

Your Email Address

Your Password

First Time User? **Forgotten Password?** **Login**

Type in your authentication code from the email, then your email address and create a password for your account.

ParentAdvantage ▶▶

Once you have logged in for the first time – you need to link your son/daughter’s progress to your advantage account

Click add student on the side men

Using Email 2

Type in the student reference number and authentication code that were given in the email.
To complete the process type in the date of birth of your son/daughter

Validate Student

Please enter the details below that were sent to you by letter/email

Student reference number

Authentication code

Student date of birth

Cancel

By successfully validating, you will add your student to the student dashboard to the home screen of advantage.

You should now be able to use the main functions of Parent Advantage.

If you have more than one son/daughter at the college you should receive an email per student to link them to your account.
