

Getting the most out of this week's Careers Fair

Wednesday 9 March
11am – 1pm

Top tips...

- When you visit the Careers Fair, collect a stamp card from the Farnborough Careers Stall
- When you speak with an employer at a stall, they will stamp your card once
- After you have received six stamps, hand your card back into the Farnborough Careers Stall to be in with a chance of winning a £30, £20, or £10 high street voucher!

Top tips...

- Look around all of the stalls and make a note of any that stand out to you – visit them again with your questions
- Introduce yourself to employers and behave professionally – the person you speak to might be interviewing you one day!
- Ask questions to find out more about job opportunities and the industry in general, such as:
 - What job vacancies will you have in the next six months?
 - What skills are most important to your company?
 - What could I be doing to prepare for a career with your company?
 - Who should I contact if I want to find out more about working for you?
- Collect any leaflets for a reminder of what is available, or take photos of the company's banners/posters for a reminder to research them again
