

# QINETIQ

## HUMAN PERFORMANCE

QinetiQ, Cody Technology Park, Ively Road, Farnborough, Hampshire, GU14 0LX

## DO YOU HAVE AN INTEREST IN SCIENCE, PHYSIOLOGY OR PSYCHOLOGY?

We are looking for enthusiastic and interested science students to partake in the QinetiQ Human Performance work experience week  
31<sup>th</sup> July – 4<sup>th</sup> August 2023.

The QinetiQ Human Performance group operates in a range of scientific domains including: G-Force Physiology, Night Vision/Optics, Human Biodynamics, Human-Machine Ergonomics, Thermal and Altitude Physiology, Aircraft Equipment Integration, Threat Psychology, Fatigue, Occupational Psychology, Spatial Disorientation, Acoustics, Behavioural Analytics and Human Factors.

To apply you must be attending college/sixth form and be available for the full work experience week.

For further details and to request the application form please contact:

**Alice Hunt on [ahunt@qinetiq.com](mailto:ahunt@qinetiq.com).**

Application Forms **must be returned by 30<sup>th</sup> June 2023.**

There will be limited spaces available.
